**Centron Residential Corporation**, a corporation having offices and carrying on business in the City of Calgary, in the Province of Alberta,  
("the Grantee")

**WHEREAS** the Grantor is the registered owner of an estate in fee simple, subject however to such encumbrances, liens and interests as endorsed on the existing Certificate of Title of lands, the legal description of which is set out in Schedule "A" hereto ("the Lands");

**AND WHEREAS** it has been determined that during some storm events stormwater may impound on the Lands to an elevation which is limited in height by the impounded water ("the design high water level") and that the development of the Lands in accordance with this Agreement is intended to prevent storm water from entering any buildings or structures on the Lands.

**NOW THEREFORE**, the Grantor does in consideration of the sum of ONE (\$1.00) DOLLAR and other good and valuable consideration, the receipt whereof is hereby acknowledged, covenant and agree as follows:

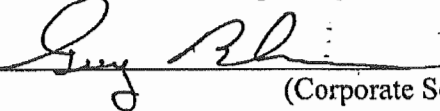

1. The Grantor covenants that it will not build, erect or maintain nor permit or suffer to be built, erected or maintained on the Lands any building or structure which has any openings in the walls such that storm water could enter the said building or structure unless the bottom of such openings are higher than the minimum design high water level, as set out in Schedule "B" hereto, nor allow changes to the design grades of the Lands unless they are in strict accordance with the building grade plan as approved by the Grantee.
2. The covenants herein granted are and shall be covenants running with the Lands.

4. 5. This Restrictive Covenant is granted by the Grantor in accordance with the provisions of section 68(1) of the *Land Titles Act* (Alberta) R.S.A. 2000, Chapter L-4.
6. This Restrictive Covenant may be registered *per se* or by way of a Caveat by the Grantee against the Lands in the Land Titles Office for the North Alberta Land Registration District.
7. No actions shall lie against the Grantee for damages for the breach of any one or more of the covenants contained in this agreement unless the Grantee either remains the registered owner of the Lands or was the registered owner at the time the breach occurred and is proven by a court of competent jurisdiction to be in breach of this agreement.
